Are you ready for the 4th Annual Fruit Social on July 11 at 1:00 pm?

If you answered yes then I am very proud of you and will see you there. If not then I guess I will not. You may buy your tickets at the park as some one screwed up and made the tickets for the wrong time and then neglected to make any more. See Kay or Lou or any of the PFLAGGERS to fork over your $5.00. We will not be having our meeting, but you can find us right across the street. Look for a rainbow something or other.

CALENDAR

July 11, 1999 Fruit Social in the City Park. 1:00 Admission $5.00. Call any of the above numbers for more info. This is also our monthly meeting.

Loulou's Little Gossip Corner

We have a new family membership. We would like to welcome ***Tony and Brandin*** to the fold. ***Tony*** has expressed a desire to help with the newsletter which I greatly appreciate. Well, he didn't exactly express a desire to help, what he said was it was pretty boring and could sure stand to be spiced up a bit, well actually, a lot. Welcome to the real world!

To those of you who did not make the trip to ***Cripple Creek***, we express our sympathy. There were thirty of us who made the sojourn and a great time was had by all. We made over $200 for our checkbook. I did hear that ***Bill and Ivan*** were the big spenders, but ***Kenny*** ran a close third!

Plans are under way for the AIDS Walk which will be held September 12 at the Nature Center. You should know I have written a song in honor of the occasion and the only way you will be able to hear it is to attend. So put that on your calendar and call me for info.

I hear that *Opal* will be making a rare appearance at the Fruit Social, so that should inspire more of you to attend!

Milton! Are you still among us?

That is it for this month, kiddies. See you all on Sunday at the City Park. 1:00 with a $5.00 bill in your hand!

Love,
Lou
